## WORK EXPERIENCE

### REKINDLE

Contract Industrial & Graphic Designer  
July 2023 - Oct 2023

Developed brand identity including mood boards, logos, and collateral. Designed and engineered two candle SKUs from concept to manufacture-ready prototypes.

### HEROES WILL RISE

Contract Industrial Designer  
July 2022 - Sept 2022

Led design of two product families under Cas Holman, improved shop storage systems, and collaborated on scale models that secured a significant grant, showcasing versatility and team contributions.

### BEVERAGE AIR

Contract Industrial Designer  
June 2023 - Sept 2023

Designed and delivered unique refrigeration parts, positioning the company as an industry leader, and resetting market standards by leveraging competitors' outdated designs.

### PRATT INSTITUTE

Wood Shop Assistant  
Jan 2021 - May 2022

Assisted students with diverse projects, managed the tool library, created reference guides for future employees, ensured cleanliness, safety, and enforced COVID-19 regulations, enhancing a secure learning environment.

### PRATT INSTITUTE

3D Print Technician  
Sept 2022 - May 2023

Established a 3D printing center at the School of Design, enhancing educational resources. Managed maintenance, trained 50+ students and staff, and fostered innovative technology-driven learning.

### ABLOC

Contract Industrial Designer  
July 2021 - Dec 2021

Designed and developed an anti-theft bicycle accessory, managing research to prototyping. Demonstrated CAD expertise and built strategic relationships with Chinese suppliers for cost-effective production.

## EDUCATION

### PRATT INSTITUTE

Masters in Industrial Design  
Aug 2020 - May 2023

### SCAD

Bachelors in Fine Arts  
Aug 2016 - May 2020
